

# EMSOF 2007-2008: No Service Match List

The following items do not require a service match of 50% of the cost of the item for urban and 40% for rural services. These items are 100% funded through EMSOF up to the maximum allowable cost for that item as published in the Pennsylvania Bulletin, and up to the maximum service allotment. If the cost exceeds the maximum allowable or the item cost exceeds the EMSOF available to the service, the overage is the service responsibility.
